Coffee: Green/Kaminske

ST. PETER FOUNDATION MEETING

The St. Peter Foundation has received a funding request on behalf of the Technology and Building committees.

At the time of the new school, (years of 2012 and 2013), the fire alarm code mandated voice enunciation only for schools with a capacity exceeding 300 students. Wisconsin has since adopted the 2015 International Building Fire Code. It revised the requirement for voice enunciation to include schools with a capacity over 99 students. As St. Peter school's current capacity exceeds this threshold, it has become necessary to upgrade the fire alarm system in our current school building to comply with the revised codes.

On Sunday, May 19 at 9:15 am there will be a St. Peter Foundation meeting in the conference room. All Congregation members, 18 and older, in good standing, are eligible to vote. The members will be informed about the request, be able to ask questions and then be asked to act on the funding request.

KINDERGARTEN TEACHER

Mrs. Rebekah Bazaire has accepted the call we extended to her to teach Kindergarten. She will officially begin her call this coming July. We continue to pray for Mrs. Bazaire as she continues her ministry here in a full-time position. That will give us 7 classroom teachers, one special education teacher, and a principal. What a blessing to have all these servants of the Lord working to meet the needs of our children. God be praised and may He continue to bless our partnership in sharing Jesus with each and every child/student He sends our way.

SPL COOKBOOK

SPL is creating a cookbook to be used as a fundraiser for the new school addition. Your assistance and participation is needed to help make this a success.

Please submit your favorite recipes for inclusion in our book. You can do this by e-mailing a copy to jackiebeyer14@gmail.com, dropping it off in the basket in the back of church or turning it in at the school office. Please include the name of the recipe, ingredients, step by step instructions, oven temp. & time along with your name and any other special instructions for your recipe.

Once the cookbook is completed, books will be available for purchase. Any questions, please contact Jackie Wilz at 920-840-4049.

FAMILY FUN NIGHT

On May 3rd, starting at 5:30 pm, St. Peter School will have our final Family Fun night of the year. We want to kick off our final steps to summer with an indoor movie night! We will be projecting on the big screen "Willy Wonka and the Chocolate Factory." All are invited!

HOSTING THE BUILDERS FOR CHRIST

As you are aware, Builders for Christ will again be volunteering to help us with the construction of the "His Children Our Mission" project. As with the Building on the Rock project, this will result in great savings for St. Peter. Our major responsibility will be to provide them a morning snack and a noon meal from Tuesday - Saturday during the time they are here, which will be from May - August. This gives our members the opportunity to contribute in another way to this exciting expanded ministry at St. Peter.

Here are some ways you can help:

- 1) We are asking for individuals to volunteer as Day Coordinators. These will be individuals that will give oversight of the meal operations for a particular day. A list of responsibilities and training will be offered prior to this beginning. We are hoping to have a large number of volunteer so that the days can be spread over many individuals. If you are interested in helping in this way, please contact Pat Freer at (920) 723-5439 or freerp@uww.edu.
- 2) We will be asking members to volunteer to provide lunch meals (Main dish/side dish dessert) for the 30+ individuals that will be here working. We will have signup sheets in the back of church for individuals/groups to sign-up. We would ask that the individuals providing the meal will also serve and help clean-up on that day.
- 3) We will have slips on the bulletin boards in the back of church that individuals/groups could take to provide baked goods and snack items for the morning snacks. There will also be totes in the Narthex where prepackaged snacks could be donated that we could use throughout the project.

BUILDERS FOR CHRIST VOLUNTEER OPPORTUNITY

The "His Children Our Mission" project is off to a great start with the weather cooperating to keep us on schedule. On April 30th, Builders for Christ are expected to join the project as the exterior walls of the 3 classrooms will begin to go up. The Builders will help us with the rough carpentry and then later in the project they will assist with the siding and finish carpentry. The Builders are looking for members from our congregation to join them and be part of the Builder for Christ team. No specialized skills are required, just your enthusiasm and dedication!

The Builders will be with us from April 30 – August 31 and their work days will be Tuesday – Saturday, 7:00a.m. – 3:00p.m. If you are interested in working part-time or full-time with the Builders during this time, please fill out an application on the Kingdom Workers website at:

Kingdomworkers.com, then click the following buttons:

- Volunteer
- See Service Opportunities
- Join Builders for Christ for a new Early Learning Center in Weyauwega, WI (Learn more)
- Apply to Volunteer

If you have any questions about being part of the Builders, talk to Jim & Pat Freer or Ken & Karleen Wolff.
