ST. PETER FOUNDATION MEETING

The St. Peter Foundation has received a funding request on behalf of the Technology and Building committees.

At the time of the new school, (years of 2012 and 2013), the fire alarm code mandated voice enunciation only for schools with a capacity exceeding 300 students. Wisconsin has since adopted the 2015 International Building Fire Code. It revised the requirement for voice enunciation to include schools with a capacity over 99 students. As St. Peter school's current capacity exceeds this threshold, it has become necessary to upgrade the fire alarm system in our current school building to comply with the revised codes.

On Sunday, May 19 at 9:15 am there will be a St. Peter Foundation meeting in the conference room. All Congregation members, 18 and older, in good standing, are eligible to vote. The members will be informed about the request, be able to ask questions and then be asked to act on the funding request.

KINDERGARTEN TEACHER

Mrs. Rebekah Bazaire has accepted the call we extended to her to teach Kindergarten. She will officially begin her call this coming July. We continue to pray for Mrs. Bazaire as she continues her ministry here in a full-time position. That will give us 7 classroom teachers, one special education teacher, and a principal. What a blessing to have all these servants of the Lord working to meet the needs of our children. God be praised and may He continue to bless our partnership in sharing Jesus with each and every child/student He sends our way.

SPL COOKBOOK

SPL is creating a cookbook to be used as a fundraiser for the new school addition. Your assistance and participation is needed to help make this a success.

Please submit your favorite recipes for inclusion in our book. You can do this by e-mailing a copy to jackiebeyer14@gmail.com, dropping it off in the basket in the back of church or turning it in at the school office. Please include the name of the recipe, ingredients, step by step instructions, oven temp. & time along with your name and any other special instructions for your recipe.

Once the cookbook is completed, books will be available for purchase. Any questions, please contact Jackie Wilz at 920-840-4049.
