

January 18th, 2024

Mission Statement St. Peter Lutheran School exists to help parents bring up their children in the training and instruction of the Lord, to provide academic excellence using God’s Word, and to share the Gospel of Christ with the world.

<u>Church Singing:</u>		
Sunday, January 21st	Grs K-8	10:30am

Confessions of Faith

A person has been baptized. That very same person grows up attending church and even going to a Christian Day School. The realities of life become difficult because of their own sin and the sin of others. The person is dissatisfied with God and the church. They have had enough. They move on but begin searching to fill the void that is deep inside. Where do they look and what do they find? The linked article offers a real life experience that speaks to all of the above. The link can be found at [FORWARD in CHRIST.](#)

B Team Tournament: St. Peter is hosting the B-team tournament on February 3rd, 2024. Please see the attached Letter regarding the tournament.

F.A.C.E. SOUP & CHILI COOK-OFF: Friends Assisting Christian Education is sponsoring a Soup/Chili Cook-Off on Sunday, January 28th in the Commons right after the 10:30 church service. Bring your best batch of soup or chili for a chance to win the Golden Ladle! Even if you don’t enter, come taste, vote, and enjoy fellowship with others. Drinks and fixings will be provided. Please sign up in the Narthex or the office by January 22nd if you would like to participate.

F.A.C.E Meeting: The next F.A.C.E meeting will be Monday, January 22nd at 5:00pm in the school commons.

Waupaca Bus riders: There will be no Waupaca Bus on Monday, January 22nd. Parents are responsible for transporting their children to and from school on those days.

No School: There is no school Friday, January 26th due to Parent/Teacher consultations.

FVL News: Please see the attached link for Future Foxes News

Classroom News:

Mr. Miller's Classes

Grades 5-6 are expected to recite their memory work to their parents as well as have Mom and/or Dad grade and initial it. Thursday, January 18, 2024, students will recite The Conclusion, "God threatens to punish all who transgress these commandments. Therefore we should fear His anger and not disobey what He commands." Next Tuesday (January 23, 2024), students will recite the rest of that paragraph from "But He promises...what He commands."

4K News: Our Bible stories this week are Jesus turns Water into Wine and The Great Catch of Fish. We made a craft that turns 'water' into 'wine', the kiddos can show their parents on Thursday. We started a new story, The Nightingale. Our letter this week is O, so we made an Owl and an Ostrich. We had fun playing in the gym this week because it was so cold outside!!!

Kindergarten News: Kindergarten is finishing up with their study of Goldfish and Guppies. While I always have a huge amount of guppies, they currently have a permanent tank to suffice their care year round. Unfortunately, I do not have the space to keep goldfish too. I have one goldfish from last year that is not super friendly with little fish. If you are interested in having a new fish pet at your home, please let me know and I would be happy to provide a couple for you. Thank you!

1st Grade News: The first grade students started their new Science Unit on Sound and Light this week!! We are excited to sing in church this weekend for Christian Education Sunday!! We hope to see you there.

2nd Grade News: Although we were stuck inside this week, the 2nd grade still had fun! We acted out a play about the Pilgrim's trip to America on the Mayflower. We learned how a baby was born on the ship and how another boy fell overboard, but was rescued! In science class, we found out what happens when you mix certain liquids together--and how some liquids can't really mix at all. We also learned about how Moses was taken home into heaven after leading the Israelites to Canaan. Through the work of Jesus, we know heaven is our home, too!

VBS is Back! I am starting to get all of our plans organized for this summer's VBS program! That starts with volunteers. I am looking to find out if my past volunteers are interested in helping out and if I have any new ones who want to be part of this amazing week. Our Scuba Vacation Bible School will be June 10th-14th from 12:30 to 3:30. We are looking for crew leaders to help bring the kids around to their stations. These can be anyone who is part of a completing 5th grade and up. My stations could also use some helpers as well, which can be 15 years old and up. If you are interested, please come get a volunteer form from me, or locate one in the back of the church. I will, also, have them attached to the newsletter. If you have any questions, email me at lindsay.voeltner@splschoo.com. Thank you!
