Grandparents’ Day(s)

St. Peter is inviting grandparents to our campus on two separate dates. Please **NOTE** that grandparents for certain grade-levels have been changed from what the yearly calendar distributed in August shows. **ALSO**, there are different time frames for each Grandparents’ Day.

- Tuesday, October 10, from 10 am – 12:30 pm, grandparents with students in grades 4K-2 are welcome to attend.
- Friday, October 20, from 10:30 am – 1:00 pm, grandparents with students in grades 3-8 are welcome to attend.

On both dates, there will be activities that students and grandparents will do together. Grandparents will also be invited to eat lunch with their grandchildren before being dismissed after the scheduled recess period. We need to have a count of grandparents who will be attending. Please call the school office (920-867-2200) indicating: name(s) of grandparents(s) attending, name of student and grade, and grandparents eating lunch. A fee of \$4 per lunch will be charged per grandparent eating on the days listed.

FALL FESTIVAL – FAMILY FUN NIGHT Join us for a Fall Festival on Friday, October 20, 2023, from 5:00- 8:00 pm at St. Peter Lutheran School. This is a family friendly event with a bounce house, games & crafts, treats & more! We ask that you RSVP to the office by October 13th with how many will be attending. All proceeds will go toward St. Peter’s “His Children, Our Mission” building project.

How Does a Teen’s Brain Work?

This is the title of a past article found in “Forward in Christ” which is a magazine put out by the Wisconsin Evangelical Lutheran Synod. Have you ever said to your teen, “What were you thinking?” or “Why would you do that?” or “Didn’t you know that would happen?” If you’ve answered yes to any of those questions or wonder how you’ll ever get through your child’s teen years, then this article is for you. You can find it at the following link : [FORWARD IN CHRIST](#) .

St. Peter's 2nd school-wide Walk-A-Thon, "Miles for Missions" will be held on Wednesday, October 25th, 1-2PM. 4K students do not have class on October 25th but we are inviting you to come and participate from 1-2PM with your St. Peter's Flock. F.A.C.E is looking for volunteers to help with the event. Duties would include taking photos, marking laps on each student, and cheering on the students. If you would be interested in volunteering please contact the school office.

Classroom News:

Mr. Miller's Classes: Next week will be the first 'chapter' test for **8th grade Math**. We will have two days of review. Students should be reviewing their notes as we get closer to Wednesday. That is the scheduled day for the test. In **5th/6th grade Catechism**, we've been studying the Second Commandment. This past week we dived into the Bible for how not to use God's name as well as to how it should be used. Next week we will begin looking into the 3rd Commandment. **Art for grades 3-4** involved the use of chalk and showing value (light to dark) and creating 'delicious' popsicles. We sprayed their creations with hair spray to set the chalk in place. Almost every student commented on how 'good' the spray smelled. It was dollar general 😊.

4K News: This week in 4K we are talking about Jacob's Dream and God's Plan for Joseph. We are talking about the letter E and we made an eagle and Elmer the elephant. We continue to talk about fire safety and are excited to walk to the fire station next week. We are talking about small, medium and large in our reading story, The Three Bears. Our shapes this month are square, rectangle, cube, and rectangular prism.

F.A.C.E.: The next FACE meeting is Monday, October 9th at 5p.m. in the school commons.

Flock T-Shirts: Your child will receive their flock t-shirt next Wednesday, October 4th. They will be bringing them home and will need to wear them at certain times during the school year. Please check out the newsletter so you know what days your child needs to wear their t-shirt. In October the days are:

Tuesday, October 10th

Wednesday, October 25th
