**God – Light - Fellowship**

The class clown gets all the laughs and also the attention of others. The one who does not raise his/her hand and just blurts out responses gets the attention of the others. It is tempting to follow the actions of others even when the actions are not positive in nature. The family devotion linked at [Walk Straight!](#) uses scripture to address the command of following Jesus and doing right even when others may be doing 'wrong.' You are invited to use this scripture meditation with you children.

**Kindergarten Teacher**

This past Thursday, St. Peter voters called Rebekah Bazaire to be our next Kindergarten teacher. She is currently our 4K teacher, teacher's aide, and Jr. Handbell director. She has also served as our remedial teacher before this school year. Please keep her and her family in your prayers as she deliberates the call the Holy Spirit has placed before her.
