

PARENTAL CONSENT FORM
PICTURE/IMAGE USE PERMISSION
2023-2024 School Year

FAMILY NAME: _____

From time to time, pictures and videos of students engaging in daily school activities are taken and used for publication on St. Peter's website, Church Video's/pictures, FVL's website or newspaper articles, and social media. There is no guarantee that any particular image of a child will be posted but the possibility remains as several random photos and videos are taken throughout the year. This form seeks parental permission to place your child's/children's picture(s) or image(s) in any of these locations.

I hereby give my permission for my child's picture or image to be used in any location stated above.
